The Book of Esther: Fingerprints of the Unseen God
Part 2 – Mordecai vs Haman

1. Have you had an experience where someone was actively working against you as your enemy in order to do harm against you? Share your experience with your group and how you dealt with it. How did you live out Luke 6:27-28.

2. Mordecai did not immediately receive a reward for the good act he did to save the king's life. How have you dealt with situations in the past when you have done something good but it went unrecognized? Or when someone else was honoured instead of you? What is the Christlike response in these situations?

3. What does it mean to be in a spiritual battle or spiritual warfare? What are some of the ways that the enemy is attacking our lives and how do we combat against him?

4. What are some ways that you can be a help or encouragement to someone going through a spiritual battle, trial, problem or difficulty. How have you been helped or encouraged in the past when facing a spiritual battle?
