The Book of Esther: Fingerprints of the Unseen God
Part 4 – Pride Comes Before A Fall

1. We saw some character traits of pride in Haman. What are other character traits of pride and what are character traits of humility found throughout the word of God?

2. In what ways do you see pride in your own life? What measures or actions can you take in order to be accountable and keep your pride in check?

3. Philippians 2:3 says. “Do nothing out of selfish ambition or vain conceit. Rather, in humility value others above yourselves, not looking to your own interests but each of you to the interests of the others.” Is there someone in your life who you need to esteem or value more than yourself? How can you actively give them preference over your own needs, wants, and desires?

4. We primarily focused on the issue of pride in this section of Esther chapters five to seven. However, there are other themes and lessons that can be learned. What topics or lessons did you discover from your reading of this portion?
