Worship—It's what You were Made for – Part 4
True & Proper Worship (Romans 12:1-13)

1. What interesting, edifying and enriching serving opportunities have you experienced? It could be in the church or outside of the church, but something that brought you joy and fulfillment as you served others?

2. In Romans 12:3-8 we read about various gifts people may have in order to serve. Other lists are found in 1 Corinthians 12:8-10, 28, 1 Peter 4:10-11, Ephesians 4:11 and some other verses. After reading these passages, which ones resonate the most with you as possible spiritual gifts in your life and why? Are you using them?

3. We looked at eight characteristics of true and proper worship that are seen by serving others in love: sincerity, devotion, selflessness, spiritual fervor, joyful in hope, patient in affliction, faithful in prayer, and hospitality. Which ones can you see in your life and in which areas do you need God's grace to grow in?

4. We ended in Romans 12:13 but the rest of the chapter continues to highlight various other ways in which our worship can be displayed through serving others in love. Read Romans 12:14-21 and identify some other ways of serving that you can see in your life or that you may need to grow in.

5. We included an insert in the bulletin of serving opportunities in the church. In what area of ministry will you take a step of faith in order to worship God through your service to God and others? What ways can you serve God and others outside of the church?
