1. Have you found joy in sharing the gospel, seeing others grow in their faith, or helping others in their spiritual journey? Share an experience with your group.

2. In Philippians 1:27-30, Paul writes about living a life worthy of the gospel. How does your life match up to what Paul describes in this portion of Scripture? In what areas could you improve?

3. We looked at various aspects of being like-minded to Christ. In what areas are your finding grace and growing and in what areas do you need prayer to improve? Why is it so difficult to have the same mind as Christ?

4. In the Christ Hymn, we see three areas that Christ left us an example: humility, obedience, and bringing glory to the Father. Take some time to consider how you are doing spiritually in these three areas and share with your group how they could be praying for you.

5. One aspect of Jesus enduring the cross was the joy of being reunited with his Father. Does the thought of seeing Jesus and the Father bring you joy? If not, what needs to change?
