Ripples—Touching our World through Jesus
Redemptive Generosity

1. In what ways has someone else's generosity (through money, time, care, resources, etc.) impacted you? How has your generosity impacted others in the past?

2. Read Luke 16:19-31. This is the story of the rich man and Lazarus. Reflect on the attitude of the rich man and that of Lazarus. In what ways have we encountered "Lazarus'" in our lives and ignored the need? How has understanding the end of the story of the rich man effected your understanding of giving and caring for those in need?

3. Read 1 Timothy 6:6-10, 17-19. What do you understand about riches from this portion? What does Paul tell Timothy regarding our attitude towards money and stewardship?

4. Consider your financial situation and your lifestyle of generosity and evaluate it with these questions: Does it reflect generosity? What does it reveal about your priorities or what makes you happy? Is it for the furtherance of the gospel? Is your spending to cautious that you are not generous towards those around you?

5. In what tangible ways can you increase your generosity? This could be through various means: money, time, personal resources, relationships, lifestyle, etc.

6. Generosity is an act of grace. Ask your Life Group members to pray for you in one area you need more grace to be generous.
